Discover Together

Moms, Dads, Sisters, Brothers,
Aunts & Uncles, Grandmas & Grandpas
can participate, too!

Read together – whether grown ups read to kids,
kids read to grown ups or siblings, or everyone
listens to an audiobook, reading together is a great
way to create memories.

Find new ideas at the Library and online
for small choices you can make every day
to help protect our environment.

Try Staycation: Nature Edition adventures as a
family. Pick up guides at the Library or download
them from our website starting in July.

Borrow one of our Maker Kits, STEM Kits, or Move
Kits, or check out the activities on the Summer
Discovery website for fun at home or on the road.

If you have questions,
please call us at 403-823-1371,
stop by the library, or check out our website at
www.drumhellerlibrary.ca.
