

# Bricks & Books

Saturdays from 1 to 5 pm

Come play with LEGO® or duplo® bricks for a few minutes, or all afternoon!

Each week we'll have a theme and some great books to help get your imagination started. Then we'll leave the building to you!

Made something awesome?  
Leave it at the desk,  
and we'll put it on display!

# Friday Afternoon Movies

Fridays at 1:30 pm

Join us at the library for a sensory-friendly family movie every Friday!

Watch our Facebook page to see what's coming up each week.

Movie snacks provided.

At the Drumheller Public Library, we offer programming that helps to build children's creativity, confidence, knowledge, and literacy.

Our programs are free, and most are designed for children to drop in.

Parents are always welcome, and children under five can join in if they are accompanied by an adult or teen (aged 13 or older).

If you have questions, please call us at 403-823-1371, stop by the library, or check out our website at [www.drumhellerlibrary.ca](http://www.drumhellerlibrary.ca).

During Crafternoon, we demonstrate an art or craft project, then let children work on their projects while we read aloud from a novel.

This fall we'll be reading:

*Anne of Green Gables*

by L.M. Montgomery

We'll finish up our year of Canadian novels with a classic known and loved around the world. Anne Shirley's imagination, her longing for a place to belong, and her knack for getting into scrapes make her seem like a kindred spirit no matter your age.
