

Bricks & Books

Saturdays from 1 to 5 pm

Come play with LEGO® or duplo® bricks for a few minutes, or all afternoon!

Each week we'll have a theme and some great books to help get your imagination started. Then we'll leave the building to you!

Made something awesome?
Leave it at the desk,
and we'll put it on display!

Friday Afternoon Movies

Fridays at 1:30 pm

Join us at the library for a sensory-friendly family movie every Friday!
Watch our Facebook page to see what's coming up each week.

At the Drumheller Public Library, we offer programming that helps to build children's creativity, confidence, knowledge, and literacy.

Our programs are free, and most are designed for children to drop in.

Parents are always welcome, and children under five can join in if they are accompanied by an adult or teen (aged 13 or older).

If you have questions, please call us at 403-823-1371, stop by the library, or check out our website at www.drumhellerlibrary.ca.

Free Library Cards!

Thanks to sponsorship from the Drumheller Library Society, until December 31st, 2018, Library cards are free for everyone! Stop by the Library, or come say hi when you see us out at Drumheller events.

Youth Programming Fall 2018

What's on at the library
for Kindergarten to Grade 9!

DRUMHELLER
PUBLIC LIBRARY

Crafternoon

Grades 5 - 9 Tuesdays 4 - 5 pm

Create an art or craft project and listen to the next chapter in our current read aloud book.

This fall at Crafternoon

we'll be reading

Cosmic by Frank Cottrell Boyce

Crafternoon Jr.

K - Grade 4 Wednesdays 4 - 5 pm

Let your imagination go wild with paper, paint, & glue while you listen to a great story.

This year the Crafternoon kids will be preparing for an art exhibit in 2019!

Be sure to save your favourite projects so we can display them in the Library.

STEM Club

K and up Mondays 4-5pm

Try a Science, Technology, Engineering, or Math project each week, from creating simple electrical circuits to building a website!

Science

Literacy Week

September 17th - 23rd

This week all our regular programs, from Crafternoon to Bricks & Books, will have a science twist. We'll also have extra activities that week, including science-themed movies, a slime party, and an afternoon of Minecraft activities and pizza!

Harry Potter Event

Date TBA

Last year's event was so much fun, we're planning another one! Watch for details on our *Harry Potter and the Chamber of Secrets* event, coming this fall!

DIY Fun

Prefer to make your own fun?

You'll find crafty maker kits, a jigsaw puzzle in the works, and computers ready for Minecraft available during all open hours.

Be sure to check out the books, too!

We have stories for every interest, lots of graphic novels and comics, and information books to answer just about any question you can imagine. If we don't have what you're looking for, just ask – we can borrow books for you from over 170 libraries!

Borrow Something Awesome

Did you know you can borrow a kit from the Library to make a light saber? There are also kits for jewelry making, duct tape crafts, origami, robots, science experiments, and more. Just ask at the desk, and borrow something awesome!
